

MONTHLY EMPLOYEE COUNT MUST BE INCLUDED ON QUARTERLY REPORTS!

The monthly employment data employers are required to record in Section A of the quarterly Unemployment Tax and Wage Report (form UC-018) is used by state and federal governments for a variety of important reasons. For example, it is used in determining when federal-state extended Unemployment Insurance (UI) benefits should be triggered; to project revenues and unemployment fund balances; to determine Arizona's share of federal UI program administrative funding; to monitor employment and wage trends; to make numerous other important financial and economic assessments and forecasts.

A condition of Arizona receiving its federal UI administrative grant is its collection of complete and accurate monthly employment data. Failure to obtain this information could result in Arizona losing its credit against the Federal Unemployment Tax Act (FUTA) tax. Currently, this credit enables Arizona employers to pay FUTA taxes at a rate of 0.8 percent if their state UI taxes are paid on time. Without the FUTA credit, Arizona employers would have to pay their FUTA tax at the rate of 6.2 percent.

Many employers neglect to complete Section A of their quarterly reports. Please keep in mind how important it is to do so. Every quarter, be sure to record the number of full- and part-time covered workers who worked or received pay subject to UI taxes for the pay period which includes the 12th day of each of the three months of the calendar quarter being reported.

WHY REPORTS MUST BE FILED, AND LATE REPORTS ARE PENALIZED, WHEN NO TAX IS DUE

Do you wonder why quarterly tax and wage reports for later quarters in the calendar year are required to be submitted when all taxes for that year were paid in previous quarters, or why a penalty is charged for a late report when no tax is due that quarter?

One reason is that, as explained in the article above, monthly employment information must be collected every quarter, as must the rest of the information on the report, for the same reasons, regardless of whether tax is due.

Another reason is because monetarily qualifying for unemployment benefits is by law based on total, not taxable, wages paid to the claimant for covered employment by all employers in the base period of the unemployment claim. (The base period is the first four of the last five completed calendar quarters prior to the initial filing of the claim.) (Continued on reverse.)

INTERNET REPORTING IS FAST & EASY!

**FILING YOUR QUARTERLY REPORTS ONLINE
SAVES TIME & POSTAGE
HELPS PREVENT LATE FILING PENALTIES
ENSURES ACCURATE REPORTING**

From your personal computer, 24 hours a day, 7 days a week, you may conveniently, quickly, and securely file your Unemployment Tax and Wage Reports (UC-018), pay your quarterly tax, and inform us of address and other changes to your business.

To **QUALIFY**, you must have an active UI account with the Arizona Department of Economic Security as either a Rated or Reimbursable employer.

To **LOG IN**, go to **www.azui.com** and select the link for Tax and Wage Reporting. Then enter your 8-digit Arizona UI employer account number and assigned password (both are displayed on the preprinted Unemployment Tax and Wage Report, form UC-018, we mail you each quarter). If you need password assistance, contact the Help Desk at (602) 542-2460.

You may **FILE A ZERO-WAGE REPORT** indicating your business had no employees and paid no wages, **OR FILE A REPORT OF WAGES PAID** to as few as one or as many as 999 employees. You may input employee and wage information either manually or by uploading it in a pre-formatted file (complete instructions for formatting are available on the website). If you file all of a calendar year's reports online, the system will calculate your taxable and excess wages and tax due for you, accurately and automatically.

Once you are logged in, **FOLLOW THE STEP-BY-STEP INSTRUCTIONS** to input your wage data; print a copy of the report for your records; use the Electronic Funds Transfer (EFT) function to pay electronically and print the payment confirmation; and submit your report directly to the Department via the Internet.

You will receive immediate **CONFIRMATION** that your report has been filed. Wage reports submitted online by noon will be on your account by the next business day.

(Continued from front.)

Missing and/or late reports may delay an unemployed worker's qualification for unemployment benefits, thus delaying the start of benefit payments; reduce benefits to an amount less than what the claimant should be entitled to receive; or, at worst, unfairly disqualify the claimant for any benefits, when actual total earnings, if reported, would result in eligibility for benefits.

POWER OF ATTORNEY REQUIRED FOR THIRD PARTIES TO REPRESENT EMPLOYERS

In order to be represented in UI matters before the Department of Economic Security by another person or legal entity, including at appeal hearings, employers must submit to the UI Tax Office **original** documentation signed by the employer that grants the other party permission to represent the employer. Employers may use their own form for this purpose, or the Limited Power of Attorney form available on our web site at www.azdes.gov/esa/uitax/taxform.asp.

Note that you may instruct us, in writing, to send all UI correspondence to a single address, or you may specify one address for all UI tax-related correspondence and a separate address for all UI claims-related correspondence. A power of attorney remains in effect until rescinded or superseded in writing.

Mail **original** power of attorney forms to:

DES – Unemployment Tax

Phoenix, AZ 85005-6028

SHARED WORK PROGRAM

Ever wish you could avoid layoffs during a temporary work slowdown? If so, you may want to check out the Shared Work Unemployment Compensation Program. This program offers an alternative to employers faced with a reduction in force. It enables an employer to divide the available work or hours of work among a specified group of affected employees in lieu of a layoff, and allows the employees to receive a portion of their unemployment benefits while working reduced hours.

The Shared Work Program is not available to an employee unless the employer for whom the employee is currently working reduced hours completes a Shared Work application, which then must be approved by the Department of Economic Security. Additional information about the program may be obtained by calling the UI Special Programs Office at (602) 495-1861 or by visiting our web site at www.azui.com.

FRAUD HOTLINE

People who give false information or withhold facts in order to receive cash assistance, food stamps, general assistance or unemployment insurance benefits may be guilty of **FRAUD!** If you suspect someone of misusing or abusing Department of Economic Security assistance programs, call the toll-free Fraud Hotline: 1-800-251-2436.

Equal Opportunity Employer/Program • Under Titles VI and VII of the Civil Rights Act of 1964 (Title VI and VII), and the Americans with Disabilities Act of 1990 (ADA), Section 504 of the Rehabilitation Act of 1973, and the Age Discrimination Act of 1975, the Department prohibits discrimination in admissions, programs, services, activities, or employment based on race, color, religion, sex, national origin, age, and disability. The Department must make a reasonable accommodation to allow a person with a disability to take part in a program, service or activity. For example, this means if necessary, the Department must provide sign language interpreters for people who are deaf, a wheelchair accessible location, or enlarged print materials. It also means that the Department will take any other reasonable action that allows you to take part in and understand a program or activity, including making reasonable changes to an activity. If you believe that you will not be able to understand or take part in a program or activity because of your disability, please let us know of your disability needs in advance if at all possible. To request this document in alternative format or for further information about this policy, contact the UI Tax Office; TTY/TDD Services: 7-1-1.
